

Job Title: Architectural Graduate

Join Our Creative Design Studio | Exciting Opportunities | Award-Winning Practice

We are looking for a motivated and creative Architectural Graduate to join our team in Melbourne. The ideal candidate will be passionate about design, eager to grow professionally, and ready to contribute to various exciting architectural projects. This role offers the opportunity to work closely with senior architects and project managers, gaining hands-on experience across all stages of the architectural process, from concept to delivery. It also offers the opportunity to grow into a more senior role.

About Us Peckvohartel is a multi-disciplinary architectural and interior design practice with over 40 years of experience, delivering award-winning projects to our clients.

Our extensive portfolio includes large-scale master planning, urban design, architecture, and interior design. We provide intelligent and innovative design solutions tailored to business outcomes rather than specific sectors.

Our services encompass all facets of the built environment, including advisory, project development, planning and management, procurement advice, execution, and expert witness services. We are trusted advisors to our clients, committed to delivering intelligent and responsible design solutions through inclusive and thorough processes.

About the Role As an Architectural Graduate at Peckvohartel's Melbourne studio, you will:

- Assist in creating architectural designs and concepts for various projects, including residential, commercial, and public buildings.
- Produce detailed architectural drawings and assist in preparing design development and construction documentation.
- Support the project team in ensuring timely project delivery within scope and according to client specifications.
- Collaborate with clients to understand their needs and vision for the project, providing design solutions.
- Conduct research on materials, building systems, and local building codes.
- Actively seek feedback from senior staff and participate in the office's internal learning and development programs.

About You Based in our Melbourne studio, you should have robust experience and confidence in delivering new commercial and mixed-use projects. You will possess excellent design communication skills, strong commercial acumen, and demonstrated project leadership abilities. This is a full-time role responsible for project delivery (from initial briefing to completion), client management, consultant coordination, and team mentoring.

Qualifications and Experience:

- Bachelor of Architecture (or equivalent) from a recognized institution.
- A Master's degree in Architecture is advantageous but not required.
- Recent graduate with 3+ years of professional experience in architecture.

- Proficient with architectural design software, such as Revit, SketchUp, and Adobe Creative Suite.
- Familiarity with building codes, zoning laws, and construction documentation.

Skills:

- Strong design and visualization skills, with an eye for detail and creativity.
- Proficiency in drafting, 3D modeling, and rendering software.
- Good understanding of architectural principles, construction methods, and sustainability practices.
- Strong written and verbal communication skills.
- Ability to work collaboratively in a team environment.
- Effective time management skills and the ability to handle multiple tasks simultaneously.

Other Requirements:

- Ability to work in Australia (Australian citizenship, permanent residency, or valid work visa).
- A desire to pursue architectural registration with the Architects Registration Board of Victoria (ARBV).

Why Peckvonhartel? We consider our people to be our greatest resource. We place great emphasis on attracting, retaining, and developing the best talent. We value diversity, employing people across various regions, representing many different cultures and ethnic backgrounds. Our team enjoys a range of benefits to support development and well-being, including:

- Creative studio working environment
- Exciting project experience
- Development and training opportunities
- Well-being focused team culture
- Flexible working environment
- Professional memberships

Apply Now! If you are looking to take the next step in your career with an established award-winning design practice, this is the role for you! Please email a copy of your CV and portfolio to careers@pvh.com.au outlining why you are a suitable candidate for this role.
